

WEBCAST ALERT: How Not to Suck at Budgeting 101: How Old Is Your Money?

With the upcoming holidays, spending season is upon us. But isn't it always upon us? Whether it be Black Friday, Cyber Monday, Christmas or whatever, this is when we learn if we control our money or if it's controlling us. For most of us, it's the latter.

The word budgeting makes us cringe but it shouldn't. This brief yet informative Zoom meeting will go over the following three items:

1. The characteristics of who needs a budget
2. The basic rules/tenets of budgeting
3. Budgeting solutions

By the end of this 35 minute session, you'll un-tinge. Better yet, you may find yourself on a path of non-check-to-check living, a reduction in your credit card debt and so on. This will be time well spent.
